SmartTravel™ Program

SmartTravel™ Packages...

Available Online!

The SmartTravel™ program provides a variety of discounted vacation getaways that are perfect for referral gifts, incentives for employees, or a family vacation. SmartTravel™ bundles these getaways into easy to use packages for as low as \$50 per night, creating a cost effective way to reward your customers or employees...

- **Perceived Value...** your customers and employees will think you spent more than you did on these packages.
- **Flexibility and Savings...** typically, similar programs require a minimum purchase of 50 travel packages at a much higher cost. With SmartTravel™, you only have to purchase what you need!
- **Accessible Website...** including a section to showcase the destination choices, options and added benefits of each package. Plus a simple ordering section to purchase vacation packages online.
- **New Vacation Packages...** including four new getaway packages, theme park vacations, premium hotel packages and cruises.
