

Contractor Obligations and Understanding for Bid

I request that GAF submit the name of my company for consideration if and when there is an opportunity to bid on roofing system projects for The Church of Jesus Christ of Latter-Day Saints that are located in the geography I serve. I understand that as of January 1, 2011, my bid must include, but is not limited to, the following requirements and obligations...

1. LDS Specification... agree to follow The Church of Jesus Christ of Latter-Day Saints specification that will be furnished by the architect or Facility Manager responsible for the project

2. Shingle... GAF Timberline Ultra HD[®] shingles (40-year limited warranty term)[®]

3. Accessories... complete GAF WeatherStopper[®] Integrated Roofing System. (Detailed specifications will be provided by the architect in charge of the project)

4. Warranty... a special "The Church of Jesus Christ of Latter - Day Saints Material Defect Limited Warranty" must be included in all bids...

◆ Cost... No charge.

◆ Application... Certified Contractor is responsible for misapplication or workmanship deficiencies on the GAF products for the first 10 years. Shingles must be installed with a 6 nail application. Hand tabbing of shingles is required for cold weather applications and in high wind areas. Refer to The Church of Jesus Christ of Latter-Day Saints installation procedures included in shingle specification bid document for details.

I understand that all terms and conditions of my Certified Roofing Contractor Agreement with GAF remain in full force and effect except as specifically modified herein.
