

THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS LIMITED WARRANTY

IMPORTANT NOTICE TO PROPERTY OWNER: Thank you for choosing *The Church of Jesus Christ of Latter-Day Saints Limited Warranty*.

IT IS YOUR CONTRACTOR'S RESPONSIBILITY TO REGISTER THIS WARRANTY WITHIN 45 DAYS OF INSTALLATION. IF YOU HAVE NOT RECEIVED YOUR PERMANENT WARRANTY FROM GAF IN THE MAIL WITHIN 60 DAYS, YOU SHOULD CALL GAF AT: 1-888-532-5767.

What Is Covered/Excluded. This Church of Jesus Christ of Latter-Day Saints Limited Warranty covers certain GAF roofing products installed on your roof (the "GAF Products") including GAF Shingles, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier, GAF Roof Deck Protection, and GAF Cobra® Attic Ventilation. This warranty does not cover ShingleMatch™ Roof Accessory Paint, MasterFlow® Attic Ventilation, or low-slope membranes (each of which is covered by a separate limited warranty) or any non-GAF roof products, such as roofing nails. Misapplication of your GAF Products and flashings at valleys, dormers, chimneys, and plumbing vents (the "Covered Flashings") is also covered.

Who Is Covered by This Limited Warranty; Non-Assignability. You are covered by this warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) and the building is owned by The Church of Jesus Christ of Latter-Day Saints. This limited warranty is NOT TRANSFERABLE OR ASSIGNABLE by contract or by operation of law, either directly or indirectly.

How Long Your Warranty Lasts: All GAF Products. Coverage begins when your GAF Products are installed. Coverage for all GAF Products lasts as long as the warranty for manufacturing defects for the type of shingle installed in the field of the roof.

Manufacturing Defects: 40-Year Shingles. All GAF Shingles covered by this warranty other than Royal Sovereign® and Marquis WeatherMax® Shingles carry a 40-year warranty against manufacturing defects and a non-prorated period of 10 years.

Manufacturing Defects: Other Shingles. Marquis WeatherMax® Shingles are warranted against manufacturing defects for 30 years; Royal Sovereign® Shingles are warranted for 25 years. The non-prorated period is 10 years for both Marquis WeatherMax® and Royal Sovereign® Shingles. (Note: This limited warranty is not available for roofs with Sentinel® Shingles.)

Misapplication: GAF Products and Covered Flashings. When 40-year shingles are installed in the field of the roof, coverage for application errors, including the misapplication of Covered Flashings, lasts for the first 10 years after installation.

Failure to Seal/Blow-Offs/Wind Damage. Coverage lasts for 15 years.

Algae Discoloration. All StainGuard®-labeled shingles and ridge cap shingles are warranted against algae discoloration for 10 years.

Manufacturing Defects: What Is Covered/Sole and Exclusive Remedy. GAF Warranty Company, LLC, a subsidiary of GAF (collectively "GAF"), warrants that your GAF Products will remain free from manufacturing defects that adversely affect their performance and that your GAF Products and Covered Flashings will remain free from application errors that adversely affect their performance during the applicable warranty term listed above. **Note:** Failure to seal/blow-offs/wind damage and algae discoloration are covered separately below.

(a) During the non-prorated period: If any of your GAF Products are found to have a manufacturing defect or there is an application error in installing your GAF Products or Covered Flashings that adversely affects performance, GAF will pay you the full reasonable cost of labor to repair or re-cover the affected GAF Products or Covered Flashings, and will provide replacement products. The costs of labor to tear off some or all of your GAF Products and disposal are included if necessary to repair your roof.

(b) After the non-prorated period: The repair or re-cover cost that GAF will pay, and the roof products to be provided, will be reduced to reflect the amount of use you have received from your roof through the date of your claim. The amount of use will be calculated by dividing the number of months that have elapsed since installation to the date of claim by the number of months in the warranty term.

Misapplication: What Is Covered/Sole and Exclusive Remedy. If any of your GAF Products or Covered Flashings are found to have an application error that adversely affects performance, GAF will arrange to have your roof repaired or re-covered or, at its sole option, will provide you with replacement roofing product(s) and reimburse you for the full reasonable cost of labor and other materials to repair or re-cover your roof, including Covered Flashings. The costs of labor to tear off some or all of your GAF Products and Covered Flashings and disposal are included if necessary to repair your roof.

After the non-prorated period, GAF's maximum liability for any roof shall NOT exceed three times the reasonable cost of replacement GAF Products before any reduction for use.

Failure to Seal/Blow-offs/Wind Damage: What Is Covered/Sole and Exclusive Remedy. GAF warrants to you that your shingles and ridge cap shingles will not fail to seal and that your shingles and other GAF Products will not blow off or sustain damage from winds (including gusts) up to the applicable wind speed listed below after your shingles and ridge cap shingles should have sealed but did not due to a manufacturing defect. If your shingles and ridge cap shingles do fail to seal, blow off, or sustain wind damage, or your other GAF Products blow off or sustain damage from winds, GAF's contribution to you will be for the reasonable costs of replacing the blown-off shingles or ridge cap shingles and other affected GAF Products and hand-sealing any unsealed shingles or ridge cap shingles. Costs relating to metal work and flashings are not included. GAF's maximum liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles or ridge cap shingles on your roof.

Shingle	Wind Speed Coverage with special installation (mph / km/h)	Wind Speed Coverage without special installation (mph / km/h)
All GAF Lifetime Shingles	130/209*	110/175
Marquis WeatherMax®	80/130	80/130
Royal Sovereign®	60/96	60/96

Ridge Cap Shingle	Wind Speed Coverage with special installation (mph / km/h)	Wind Speed Coverage without special installation (mph / km/h)
Timbertex® & Ridglass®	130/209*	110/175
All other GAF	90/145	70/112

*Your roof will be covered up to the maximum wind speed above ONLY if your shingles are installed using 6 nails per shingle and you have GAF Starter Strip Products installed at the eaves and rakes.

*Your ridge cap shingles will be covered up to the maximum wind speed above ONLY if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Ltd. Warranty" section of the applicable ridge cap shingle application instructions.

Algae Discoloration: What Is Covered/Sole and Exclusive Remedy. This StainGuard® Limited Warranty applies only to shingles and ridge cap shingles sold in packages bearing the StainGuard® logo. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your StainGuard®-labeled shingles or ridge cap shingles. During the first year, if your StainGuard®-labeled shingles or ridge cap shingles do exhibit a pronounced discoloration caused by blue-green algae, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles or ridge cap shingles or, at GAF's option, replacing discolored shingles or ridge cap shingles up to a maximum of the original installed cost of the affected shingles or ridge cap shingles. During the remainder of the StainGuard® Limited Warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since they were installed (100%, reduced by a percentage equal to the number of months from the installation date to the date of claim divided by 120). **Note:** Preventing pronounced algae-related discoloration of your shingles or ridge cap shingles is achieved through formulations or through unique blends of granules.

What Is Not Covered. GAF will NOT be liable for and this warranty does NOT apply to:

- Damage to your GAF Products resulting from anything other than an inherent manufacturing defect in the GAF Products on your roof, their misapplication, or the misapplication of Covered Flashings, such as:
 - settlement, movement, or defects in the building, walls, foundation, or the roof base over which your roof system was applied.
 - inadequate attic ventilation.
- Damage to your GAF Products resulting from causes beyond normal wear and tear, such as:
 - acts of nature, such as hail, winds (or gusts) over the applicable wind speed listed above, or ice damming above the area covered by leak barriers or above flashings.
 - impact of foreign objects or traffic on the roof.
 - improper storage or handling of any roofing products.
- Shading or variations in the color of your shingles or ridge cap shingles, or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard® logo), or other contaminants, including those caused by organic materials on the roof.
- Damages caused by, or the cost to repair or replace, products not sold by GAF, including, but not limited to, metal work and counterflashing.
- Improperly designed or installed gutter or downspout systems.
- Damage to the interior or exterior of any building, including, but not limited to, mold growth.

(7) Damage to or caused by rooftop air conditioning units (and their flashing), pipe works, brace works, skylights, rooftop satellite dishes or other radio/TV devices, counterflashing, or flashings other than those specifically included above.

Other Limitations Concerning Coverage. Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your roof products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects, application errors (including misapplication of Covered Flashings), or blue-green algae growth at the time of settlement. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement shingles or accessories may not be an exact match for the shingles or accessories on your roof. Even if GAF does not modify a color, replacement shingles or accessories may not match your original shingles or accessories due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do.

You must notify GAF about any claim within **30 days** after you notice a problem and provide proof of the date your GAF Products were applied and that you were the owner at that time. You must either call GAF at 1-800-458-1860 about your claim, or send a notice to GAF in writing to: GAF, Warranty Services, 1 Campus Drive, Parsippany, New Jersey 07054, USA. You will then be provided with complete details about submitting your claim. GAF may require you to send to GAF, at your expense, sample products for testing and photographs. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this warranty. Any claim for products that have been replaced before notifying GAF of your claim may be denied. **NOTE: Notice to your contractor, dealer, or builder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

Sole and Exclusive Warranty. THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS, AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW, OR IN EQUITY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. This written warranty is your exclusive warranty from GAF and represents the SOLE REMEDY available to any owner of GAF Products. GAF makes NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES of any kind other than that stated herein. GAF WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether for breach of this warranty, negligence, strict liability in tort, or for any other cause. Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

Modification of Warranty. This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional liability or responsibility for GAF in connection with your GAF Products and Covered Flashings except as described in this warranty. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

Special Notes: First Ten Years. If your claim arises out of an application error in your GAF Products or Covered Flashings that is discovered or discoverable within the first ten years after installation, it is the obligation of your LDS VMR-approved contractor to make all necessary repairs. In the event that your LDS VMR-approved contractor is unable or unwilling to perform these repairs, GAF will arrange to have your roof repaired if the issues were caused by application errors within the scope of GAF liability under this limited warranty.

Ventilation/Flashings. Due to the design of certain buildings, installation of minimum adequate ventilation or the replacement of existing flashings may be difficult, costly, or impractical. Please be sure to review these items with your LDS VMR-approved contractor.

EFFECTIVENESS: This limited warranty will not take effect unless all eligibility requirements have been satisfied, this warranty is registered to you, and your roofing contractor has been paid in full.

IMPORTANT NOTICE TO OWNER: The Church of Jesus Christ of Latter-Day Saints VMR-approved contractor (NOT the property owner) must register this warranty. If you have not received your permanent *The Church of Jesus Christ of Latter-Day Saints Limited Warranty* from GAF within 60 days, contact your LDS VMR-approved contractor or call GAF at: 1-888-532-5767, and select option 1.
