MarketPulse™ Survey Program

Learn About Your Customer's Roofing Experience

<p>What It Is...</p>	<p>Property owners that purchase an enhanced roofing system warranty are encouraged to take an online satisfaction survey, providing you important customer feedback.</p>													
<p>Benefits For You...</p> <p>Encourages Feedback to Help Improve Your Business!</p>	<ul style="list-style-type: none"> • Improved Feedback...property owners may provide more detail in this survey than they may share directly with you • Better Manage Your Business...survey measures performance of sales, operations, and overall satisfaction • Further Differentiate Your Company...by demonstrating that you encourage customers to share their results, express this as a key part of your overall quality assurance program • Comparison To Your Peers...your overall survey scores are compared to national averages to give you better perspective as to how your company is performing
