Dear GAF Associates:

I would like to introduce myself as your Account Consultant for your corporate account with Staples Advantage. We've had an excellent partnership with GAF for over thirteen years and running. Our program provides an opportunity for substantial cost savings to all contractor locations, dedicated customer service, and easy online ordering through Order.StaplesAdvantage.com.

Staples is the industry leader for several categories, and provides far more than office supplies; such as **janitorial/safety supplies, print services, promotional products, technology, furniture** and more. We are committed to "making it easy" to order all supplies through your corporate program.

Staples Advantage Program Features:

- Negotiated pricing on office supply needs
- Fast and easy online ordering on Order.StaplesAdvantage.com
- Free next-day shipping on orders over \$50
- Award-winning customer service
- Customer appreciation days for employees at retail stores

Start taking advantage of this today by simply emailing Lisa and myself your first and last name, company name, shipping address, phone number and email. It's that easy! I can then add you to the existing account and set up your login information right away. We look forward to a successful nationwide re-launch. If you have any questions, please do not hesitate to contact us or customer service.

Sincerely,

Logan Tucker
