Weather Stopper® Golden Pledge® Limited Warranty Addendum For Solar Racking Systems

Thank you for choosing the GAF Weather Stopper® 3-part Roof Protection System and the Golden Pledge® Ltd. Warranty, including this Addendum for your solar racking system.

Notwithstanding anything to the contrary in Golden Pledge® Limited Warranty No. _____:

1. The Weather Stopper® System shall be deemed to include coverage for the installation of your _____ (the "SRS").
[brand name]
2. Warranty coverage for misapplication of your SRS, including the flashing around it, if any, is covered for 20 years.
3. If any part of your SRS is found to have an application error that adversely affects its performance, GAF will repair or replace your SRS, or at GAF's sole option, will reimburse you for the full reasonable cost for a replacement SRS and the labor to install it.
4. Paragraph 5 under "Limitations on Coverage" shall be amended as follows:

Damages caused by, or the cost to repair or replace, products not supplied by GAF, including, but not limited to, counter flashing, the SRS, solar panel electrical connectors or any other components of your solar system, or GAF products not specifically listed above.
5. Paragraph 8 under "Limitations on Coverage" shall not be deemed to include the application of your SRS.

All terms and conditions of the Golden Pledge® Limited Warranty shall remain in full force and effect except as specifically modified herein.
