

**EQUIPTER + GAF TEAMING UP FOR YOUR BENEFIT.**

*GAF® & Equipter® are working together for YOU the roofing contractor*

# SPECIAL DISCOUNT

## GAF FACTORY – CERTIFIED CONTRACTORS

### REMOVING DEBRIS FROM A ROOF-TOP HAS NEVER BEEN EASIER.

Roofing contractors report 30% greater efficiency and completing up to an extra job per week (per crew). For the homeowner its about a cleaner job-site and landscape protection. For the roofing contractor its about roofing debris management that is so effective, you can do more work with less people, and earn opportunities for more jobs as homeowners see that you are truly different.

**The Equipter**  
Turns Heads.  
Makes You Stand Out.  
Gives You A Competitive Edge.

## HOMEOWNER APPROVED.

Homeowners like a roofer that keeps the yard clean and are assured of landscape protection.

Happy customers tell their friends and neighbors—meaning happy customers bring you more customers. Its a cycle that grows your business—and the Equipter helps make it all happen as you offer homeowners a New Roof No Mess®.

and see what the Equipter can do.

### EQUIPTER RB4000 FEATURES:

- Compact, self-propelled, and maneuverable container; can access yards and space that trailers and trucks cannot
- A 4000 lb job site container capacity and lift ability
- A hinged top that opens on each side of the trailer to reveal a 10 ½ foot catch area
- A hydraulic tailgate that allows you to easily dump into a larger container
- Easily hitched and towed to the job site using any medium sized truck

### BENEFITS FOR YOU:

- Attracts customers who are more focused on quality, less focused on price
- Finish jobs more quickly, more efficiently, and more profitably
- Self Driven and easy to maneuver . . . work in any sized yard or jobsite
- Powerful lift . . . allows you to position the container close to the roof for material disposal, or lift building materials directly to workers already on the roof
- Special discount for GAF factory –certified contractors
