

Accelerated Cash Flow to Keep Your Business Going, and Growing.

Cash flow is the key to every successful business. Today, quick and predictable cash flow has never been easier, thanks to Contractor's Financial Services. By simply having CFS purchase your invoice at a modest discount, you can receive the balance in as little as 24 hours after approval. Our low rates are based on a sliding scale determined by your A/R aging. With your help in obtaining timely payment of your customer's invoice, we can offer you invoice discount rates as low as 2%.

For example, a \$10,000 invoice paid in less than 20 days at a discount of 2% will only cost you \$200. If it's paid in less than 40 days at a discount of 3%, the cost is only \$300. And, even at 60 days and a discount of 4%, the cost is a mere \$400. As you can see, the cost is minimal, and you'll have the benefit of immediate cash flow for the things you need to keep your business going, and growing.
