

Staples, is now offering an exciting No Charge opportunity for your office, break rooms, restrooms, and overall facilities! How would you like to upgrade your tired and outdated dispensers with the newest and most sanitary dispensers on the market today all at no charge to you?

Staples will send you for **No Charge** as many as you need to upgrade all your Restrooms, Break Rooms, Kitchens, and Common Areas of any of these most popular dispensers below, in addition to many other options we can offer as well!

These are new proven and reliable top quality dispensers in both **Automatic Hands Free and Manual versions**. You will not believe the cost savings these units will offer you, and the reduction in waste you will realize.

All we ask is that you purchase the refill products from us at special low customized prices just for your organization that are some of the most competitive in the industry! Please let us know your thoughts and questions and if you would like we will be happy to talk about how you can freshen up the appearances throughout your facility and enjoy the savings too.

In addition we offer expert advice and solutions from dedicated experienced professionals with years of hands on knowledge working in the facilities industry always available to partner with you to offer the right solutions, lower your costs and reduce your storage footprints.

You will be amazed with the vast selection of cleaning, facilities and safety items that we offer!
