GAF TM/Contractor Program Administrative Process:

1. TM or GAF contractor (MS or ME) contacts Hapco Inc.: 800-345-9353 for initial program information and to officially log into this program.
 - a. Will need contractor name, address, telephone, email and GAF contractor ID#
2. Hapco will enter the contractor into the program and refer him/her to a Hennes-Johnson representative for specific sprayer details and product information.
3. Hennes-Johnson will place all sprayer orders directly to Hapco for order entry.
 - a. Pricing through this program is outlined above
 - b. Any product variations (additions or modifications) will be outlined to the contractor through Hennes-Johnson and copied to Hapco on a per order basis.
4. Hapco will administer the sales entry and confirm purchase with the GAF contractor.
 - a. Payment will be due at time of order (credit card, wire transfer)
 - b. Any/all GAF MS, ME discounts will be verified through GAF and applied at this time.
5. Hapco will coordinate the shipping a delivery of the sprayer unit from Hennes-Johnson to the contractor.
