

NEW \$99 Plan!*
No Set-up Fee! No Contract!

Take the pulse of your customers with the most advanced customer engagement platform available!

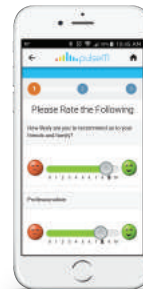

Why do I need pulseM?

- Look like a multi-million dollar professional roofing organization.
- Get instant social media reviews using powerful SMS technology.
- Capture emotion of customers and showcase results on your website.
- Protect your reputation - address concerns in real time and prevent negative sentiment from showing up online.
- Get found more easily through improved search rankings.

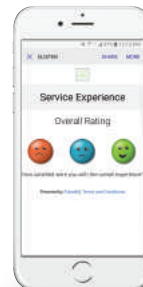

What's in it for Roofers?

- \$99 per month allows you to get started with protecting your reputation.
- No contracts, price scales as you grow your business.
- This is the future of reputation management!

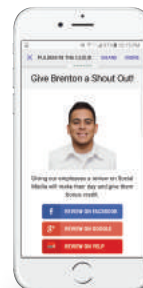

How it Works:

Step 1: After the job is completed, the pulseM company campaign is sent to the property owner through SMS or email.

Step 2: Property owner leaves spoken or written feedback. Based on whether the feedback is negative or positive, different actions are taken.

Step 3: If the feedback is positive, the property owner is automatically redirected to leave a simple, easy online/ social media review!
