The Wells Fargo Home Projects credit card is issued by Wells Fargo Bank, N.A., an Equal Housing Lender. Special terms apply to qualifying purchases charged with approved credit. For new accounts, the APR for Purchases is 28.99%. If the customer is charged interest in any billing cycle, the minimum interest charge will be \$1.00.

<sup>1</sup> **No interest if paid in full plans:** Regular minimum monthly payments are required during the promotional (special terms) period. Interest will be charged to the customer's account from the purchase date at the APR for Purchases if the purchase balance is not paid in full within the promotional (special terms) period. The payment amount shown is the estimated regular minimum monthly payment that will be required. **Payment of this amount will not be enough to pay the purchase balance in full within the promotional period.**

<sup>2</sup> **Equal payments,** shown in italics, represents the monthly payment that cardholders may elect to pay for the product/service to be paid in full within the no interest if paid in full period. **Note:** All identified payments assume no other outstanding balances are owed and all required payments are made on time. For example purposes, all payments disclosed above have been rounded up to the nearest whole dollar.

<sup>3</sup> **0% APR with equal payments plans:** The special terms APR will continue to apply until all qualifying purchases are paid in full. The monthly payment will be the amount that will pay for the purchase in full in equal payments during the promotional (special terms) period. The APR for Purchases will apply to certain fees such as a late payment fee or if the cardholder uses the card for other transactions.

<sup>4</sup> **Special rate with custom payments:** The special terms APR will continue to apply until all qualifying purchases are paid in full. As applicable, monthly payments of at least 2.0% of the purchase balance are required during the promotional (special terms) period. The APR for Purchases will apply to certain fees such as a late payment fee or if the cardholder uses the card for other transactions. **Note:** All identified payments assume no other outstanding balances are owed and all required payments are made on time. Payments disclosed above have been rounded up to the nearest whole dollar. **Not for advertising purposes.**

\*Invoices/charges should only be presented to Wells Fargo after the cardholder's transaction is completed.

\*\*Minimum required payment is the payment amount that will be reflected on the cardholder's monthly statement; this payment amount will not, in most cases, be enough to pay off the purchase balance in full during the no interest if paid in full period.
