STEEP-SLOPE ADDENDUM TO DIAMOND PLEDGE™ NDL ROOF GUARANTEE

STEEP-SLOPE SQUARES: _____ EXPIRATION DATE: _____

All of the terms and conditions of your *Diamond Pledge™ NDL Roof Guarantee* remain in full force and effect except as specifically modified by this Addendum.

THE GUARANTEE / SOLE AND EXCLUSIVE REMEDY

The “GAF Steep-Slope Roofing Materials,” defined herein as GAF Asphaltic Shingles, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier Products, GAF Roof Deck Protection Products, GAF Cobra® Attic Ventilation Products, GAF-labeled Ultimate Pipe Flashing® with EasySleeve® (manufactured by Lifetime Tool & Building Products LLC), and “Covered Flashings” (flashings at valleys, dormers, chimneys, and plumbing vents) shall be included within the definition of “GAF Roofing Materials” for a period of twenty (20) years. As such, GAF guarantees to you that GAF will repair leaks through the GAF Steep-Slope Roofing Materials resulting from a manufacturing defect, ordinary wear and tear, or workmanship in applying the GAF Roofing Materials. There is no dollar limit on covered repairs. Leaks caused by any non-GAF Materials are not covered.

After the Expiration Date of this Addendum, the GAF Steep-Slope Roofing Materials shall be covered by the *GAF Roofing System Limited Warranty* in effect at the time of installation.

This guarantee does NOT cover conditions other than leaks, except to the extent that coverage is available under the terms of this Addendum as follows:

STEEP-SLOPE ADDENDUM TO DIAMOND PLEDGE™ NDL ROOF GUARANTEE

(continued from previous page)

	MANUFACTURING DEFECT AND WORKMANSHIP COVERAGE	WIND WARRANTY COVERAGE	ALGAE WARRANTY COVERAGE
What Is Covered / Sole and Exclusive Remedy	<p>GAF warrants that your GAF Steep-Slope Roofing Materials will remain free from manufacturing defects or application errors that adversely affect their performance during the term of this addendum.</p> <p>GAF will pay you the full reasonable cost of labor to repair or re-cover any defective or misapplied GAF Steep-Slope Roofing Materials (excluding non-GAF accessories, metal work, or flashings other than Covered Flashings), and will provide replacement GAF Steep-Slope Roofing Materials or the reasonable cost of obtaining replacement GAF Steep-Slope Roofing Materials, at GAF's option through the Expiration Date listed above. The costs of labor to tear off some or all of your GAF Steep-Slope Roofing Materials and disposal are included if necessary to repair your roof.</p>	<p>GAF warrants to you that your GAF shingles and ridge cap shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) up to the applicable wind speed listed above after your shingles or ridge cap shingles should have sealed but did not due to a manufacturing defect or their misapplication.</p> <p>If your shingles or ridge cap shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off shingles or damaged shingles or ridge cap shingles and hand-sealing any unsealed shingles or ridge cap shingles. Costs relating to metal work and flashings (other than Covered Flashings) are not included. GAF's maximum liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles and ridge cap shingles on your roof.</p>	<p>This limited warranty applies only to shingles and ridge cap shingles sold in packages bearing the StainGuard Plus™ or StainGuard® logos. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your StainGuard Plus™- or StainGuard®-labeled shingles or ridge cap shingles for the warranty term listed above. If your StainGuard Plus™- or StainGuard®-labeled shingles or ridge cap shingles exhibit a pronounced discoloration caused by blue-green algae during the Non-Prorated Period listed above, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles or ridge cap shingles or, at GAF's sole option, replacing discolored shingles or ridge cap shingles. The maximum cost to GAF shall be the lesser of the original cost of the affected shingles or ridge cap shingles or the cost to clean the affected shingles or ridge cap shingles. During the remainder of the limited warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since they were installed.***</p>

* **Special Installation:** WindProven™ Special Installation requires the use of LayerLock-labeled shingles and at least 4 qualifying GAF Accessories, including GAF Starter Strips, Roof Deck Protection, Ridge Cap Shingles, and your choice of Leak Barrier or Attic Ventilation. For all other installations, Special Installation requires the use of 6 nails per shingle and installation of GAF Starter Strip Products installed at the eaves and rakes. Your GAF Ridge Cap Shingles will be covered up to the maximum wind speed above **ONLY** if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Ltd. Warranty" section of the applicable ridge cap shingle application instructions.

** **GAF Accessories:** This limited warranty does not cover Master Flow® Ventilation Products or ShingleMatch™ Roof Accessory Paint. Please go to gaf.com for a copy of the limited warranties covering these products.

*** The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term.

EXCLUSIONS FROM COVERAGE

The **EXCLUSIONS FROM COVERAGE** Section of your Diamond Pledge™ NDL Roof Guarantee shall be amended as follows:

9. Damage caused by inadequate ventilation. **Note:** Failure to install adequate ventilation is **NOT** an application error of your GAF Roofing Materials and is not covered under this Addendum.
10. Damage caused by improper storage or handling of your GAF Products.
11. Ice Damming, except for leaks in the area of your roof covered by a GAF Leak Barrier which are caused by a manufacturing defect in your GAF Leak Barrier, its misapplication, or the misapplication of Covered Flashings.
12. Shading or variations in the color of your GAF Products or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard Plus™ or StainGuard® logos), or other contaminants, including that caused by organic materials on the roof.
13. Improperly designed or installed gutter or downspout systems.
14. Damage to or caused by rooftop air conditioning units (and their flashing), pipe works, brace works, skylights, rooftop satellite dishes, or other radio/TV devices, counterflashing, or flashings other than those specifically included above.

This Addendum becomes effective only after it is signed by an authorized GAF Guarantee Services Manager.
